

Doug Vahrenberg Teams up with Omega Custom Tackle

BASS and FLW Pro Angler, Doug Vahrenberg, has agreed to a sponsorship deal with Omega Custom Tackle. Doug is an accomplished tournament veteran and fishing electronics expert that knows that proven performance can make a huge difference in success and one of the main reasons he has teamed up with the premier tackle maker – Omega Custom Tackle. Omega Custom Tackle makes a wide array of jigs and new Alpha Shad buzzbait that fit each and every condition an angler requires from the shallows to deep water and specialty applications like skipping docks and finesse fishing. “The Variety of product offerings to match my needs and Omega extensive Field Testing and attention to details, is why I chose to Omega. When the money is on the line or just chasing that fish of a lifetime I want all the advantages I can have” states Doug.

Doug Vahrenberg has built an incredible reputation with Humminbird Electronics as a leader in Side Imaging Technology and anglers from around the globe have called upon his knowledge to help gain the competitive edge. Plus his successes on the water as a competitor that includes a Top 10 Finish in the FLW Stren Championship and numerous high finishes in BASS Opens will expand the recognition of the Omega Custom Tackle brand name. “We look forward to working with Doug and tapping into that knowledge to promote the Omega Custom Tackle Products and help other Omega Team Members and Customers learn from his experiences and how he uses the Omega product for success,” states Omega Custom Tackle owner, Todd Barnes.
